

MEYER SERIES 1500

INSULATION BLOWING MACHINE

The Meyer Series 1500 - the industry's fastest high-volume blower! Meyer's top-of-the-line hydraulic drive blower is an all-fiber, large capacity machine that delivers fast, accurate, and uniform open blow coverage. The Series 1500 features a totally hydraulic drive system that provides power to the hopper, feeder, and blower. With Meyer's hydraulic design there are no more clutches, transmissions, and the associated belts and pulleys.
